Year 6 Maths real-life examples

Year 6 has been looking at area and converting measurements. This progressed to real-life resurfacing problems - wooden floors for the hall, new carpet for the classroom, concrete for the playground- working on prices per metre squared

PIC-COLLAGE

Hop for Henshaws, 4-8 April – Sponsored Event

We are helping Henshaws during the last week of term by hopping for 2 minutes each day during the week. Sponsorship forms and further information will be sent home next week.

Free School Meals

We have noticed that a number of eligible children are not taking up the offer of a free school meal. We know there are a variety of reasons for this and we'd like to continue to work with you to increase the numbers of children benefitting from a hot school meal.

Free School meals could save families up to £450 per year per child, a much needed financial boost due to the cost of living increasing.

If you think you or someone you know may be eligible, please ask for guidance on how to apply.

Please remember that a child on Free School Meals also has funding to help with the cost of school trips etc.

Coffee Morning

The next Coffee Morning is on 31st March with Miss Gale and our SENDCo Mrs Gough will also be attending. All parents are welcome and there will be lots of resources to take away.

Initial Teacher Training (ITT)

Red Kite and North Star Alliance is holding an open evening on 5th April, 6.30pm at Aspin Park Academy.

Please see the attached flyer if you are interested.
